AMENDMENTS TO THE CLAIMS

Please amend claims 23, 26-28, 30 and 31 and cancel claims 29 and 32, as shown below. A complete listing of the claims in this case, with their status, is shown below.

23.   (Currently amended) A method of inhibiting the trafficking of systemic memory T cells to a site of inflammation in a mammalian host, the method comprising:

administering an effective amount of **an anti-CCR4 antibody** a CCR4 antagonist in a dose effective to inhibit said trafficking of systemic memory T cells.

24.   (Previously presented) The method of claim 23, wherein the site of inflammation is an endothelial cell.

25.   (Previously presented) The method of claim 24, wherein the endothelial cell is activated.

26.   (Currently amended) The method of claim 23, wherein the antagonist **antibody** inhibits the binding of CCR4 to TARC.

27.   (Currently amended) The method of claim 23, wherein the antagonist **antibody** inhibits adhesion of the cells to cells at the site of inflammation.

28.   (Currently amended) The method of claim 23, wherein the antagonist **antibody** inhibits chemotaxis of the cells.

29.   (Cancelled)

30.   (Currently amended) The method of **claim 23** claim 29, wherein the antibody is a monoclonal antibody.

3

31.   **(Currently amended)** The method of **claim 23** ~~claim 29~~, wherein the antibody is humanized.

32.   **(Cancelled)**

33.   **(Withdrawn)** The method of claim 23, wherein the site of inflammation is a site of psoriasis.

34.   **(Withdrawn)** The method of claim 23, wherein the site of inflammation is a site of lichen planus.

35.   **(Previously presented)** The method of claim 23, wherein the site of inflammation is a site of atopic dermatitis.

36.   **(Withdrawn)** The method of claim 23, wherein the site of inflammation is a site of delayed hypersensitivity.

37.   **(Withdrawn)** The method of claim 23, wherein the site of inflammation is a site of chronic inflammation.

38.   **(Withdrawn)** The method of claim 23, wherein the site of inflammation is a site of an inflamed tonsil.
